WORLD VOICE EXPO & 1024 DEVELOPER FESTIVAL

Hefei, China | iFlytek Annual Event

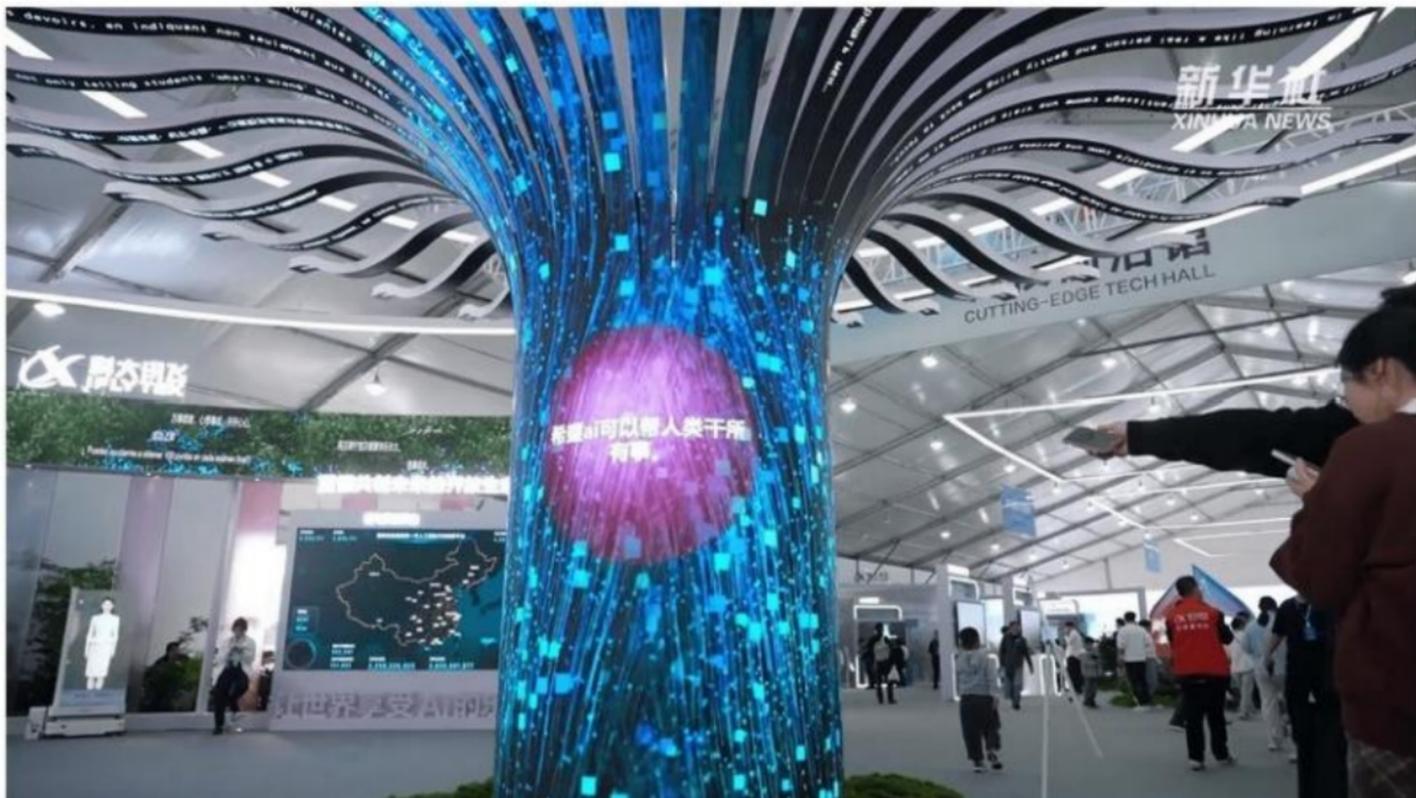

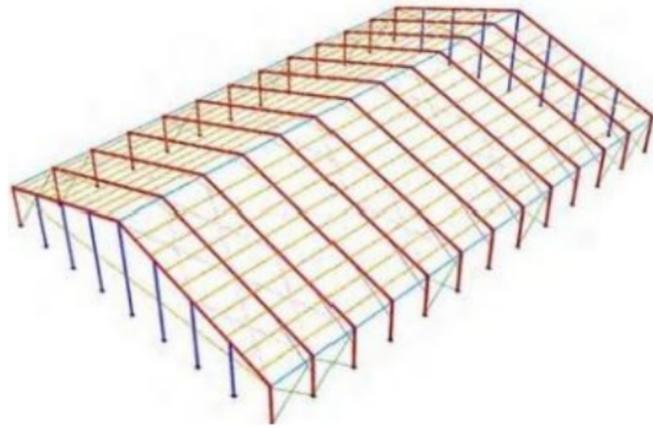

The World Voice Expo is one of the world's premier events for AI and voice technology. Co-organized by iFlytek, the 1024 Developer Festival gathers global tech innovators at the Hefei Olympic Sports Center.

PROJECT HIGHLIGHTS

- √ Large-span exhibition halls exceeding 100m
- √ Multi-zone interconnected tent complexes
- √ VIP reception & conference pavilions
- √ Outdoor demo & showcase canopies
- √ Rapid deployment within tight timelines

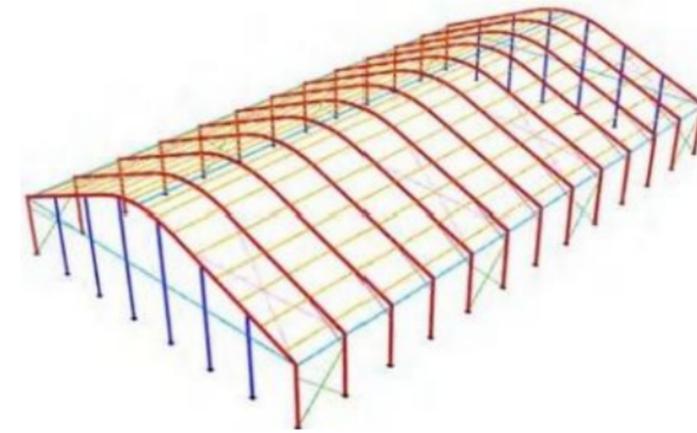

PEAK TOP

Most popular event tent with distinctive peaked roof. Ideal for weddings and exhibitions.

- Span: 3m-40m
- Eave: 2.5m-4m
- Ridge: 3.8m-7m

ARCH ROOF

Smooth curved roof with excellent wind resistance for large exhibitions.

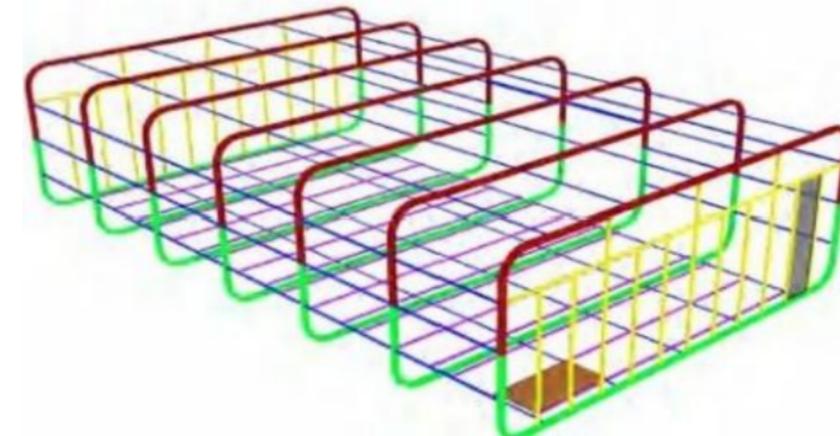

- Span: 3m-30m
- Eave: 2.5m-6m
- Wind: 100km/h

CURVED ROOF

Elegant curved roofline for premium events and high-end exhibitions.

- Span: 5m-40m
- Eave: 3m-5m
- Snow: 0.5kN/m²

FLAT ROOF

Modern flat roof for maximum interior space. Perfect for warehousing.

- Span: 3m-30m
- Height: 3m-6m
- PVC 850g/m²

BENT PILLAR

Unique bent pillar design combining elegance with functionality.

- Span: 3m-25m
- Eave: 2.5m-4m
- Rapid deploy

INFLATABLE

Air-supported structure for quick setup and emergency response.

- Span: 5m-30m
- Height: 3m-8m
- 2-4hr setup

COMBINATION

Versatile modular system for unlimited configurations.

- Span: 3m-40m
- 5m increments
- Seamless join

POLYGONAL

Multi-sided geometric design for visually striking structures.

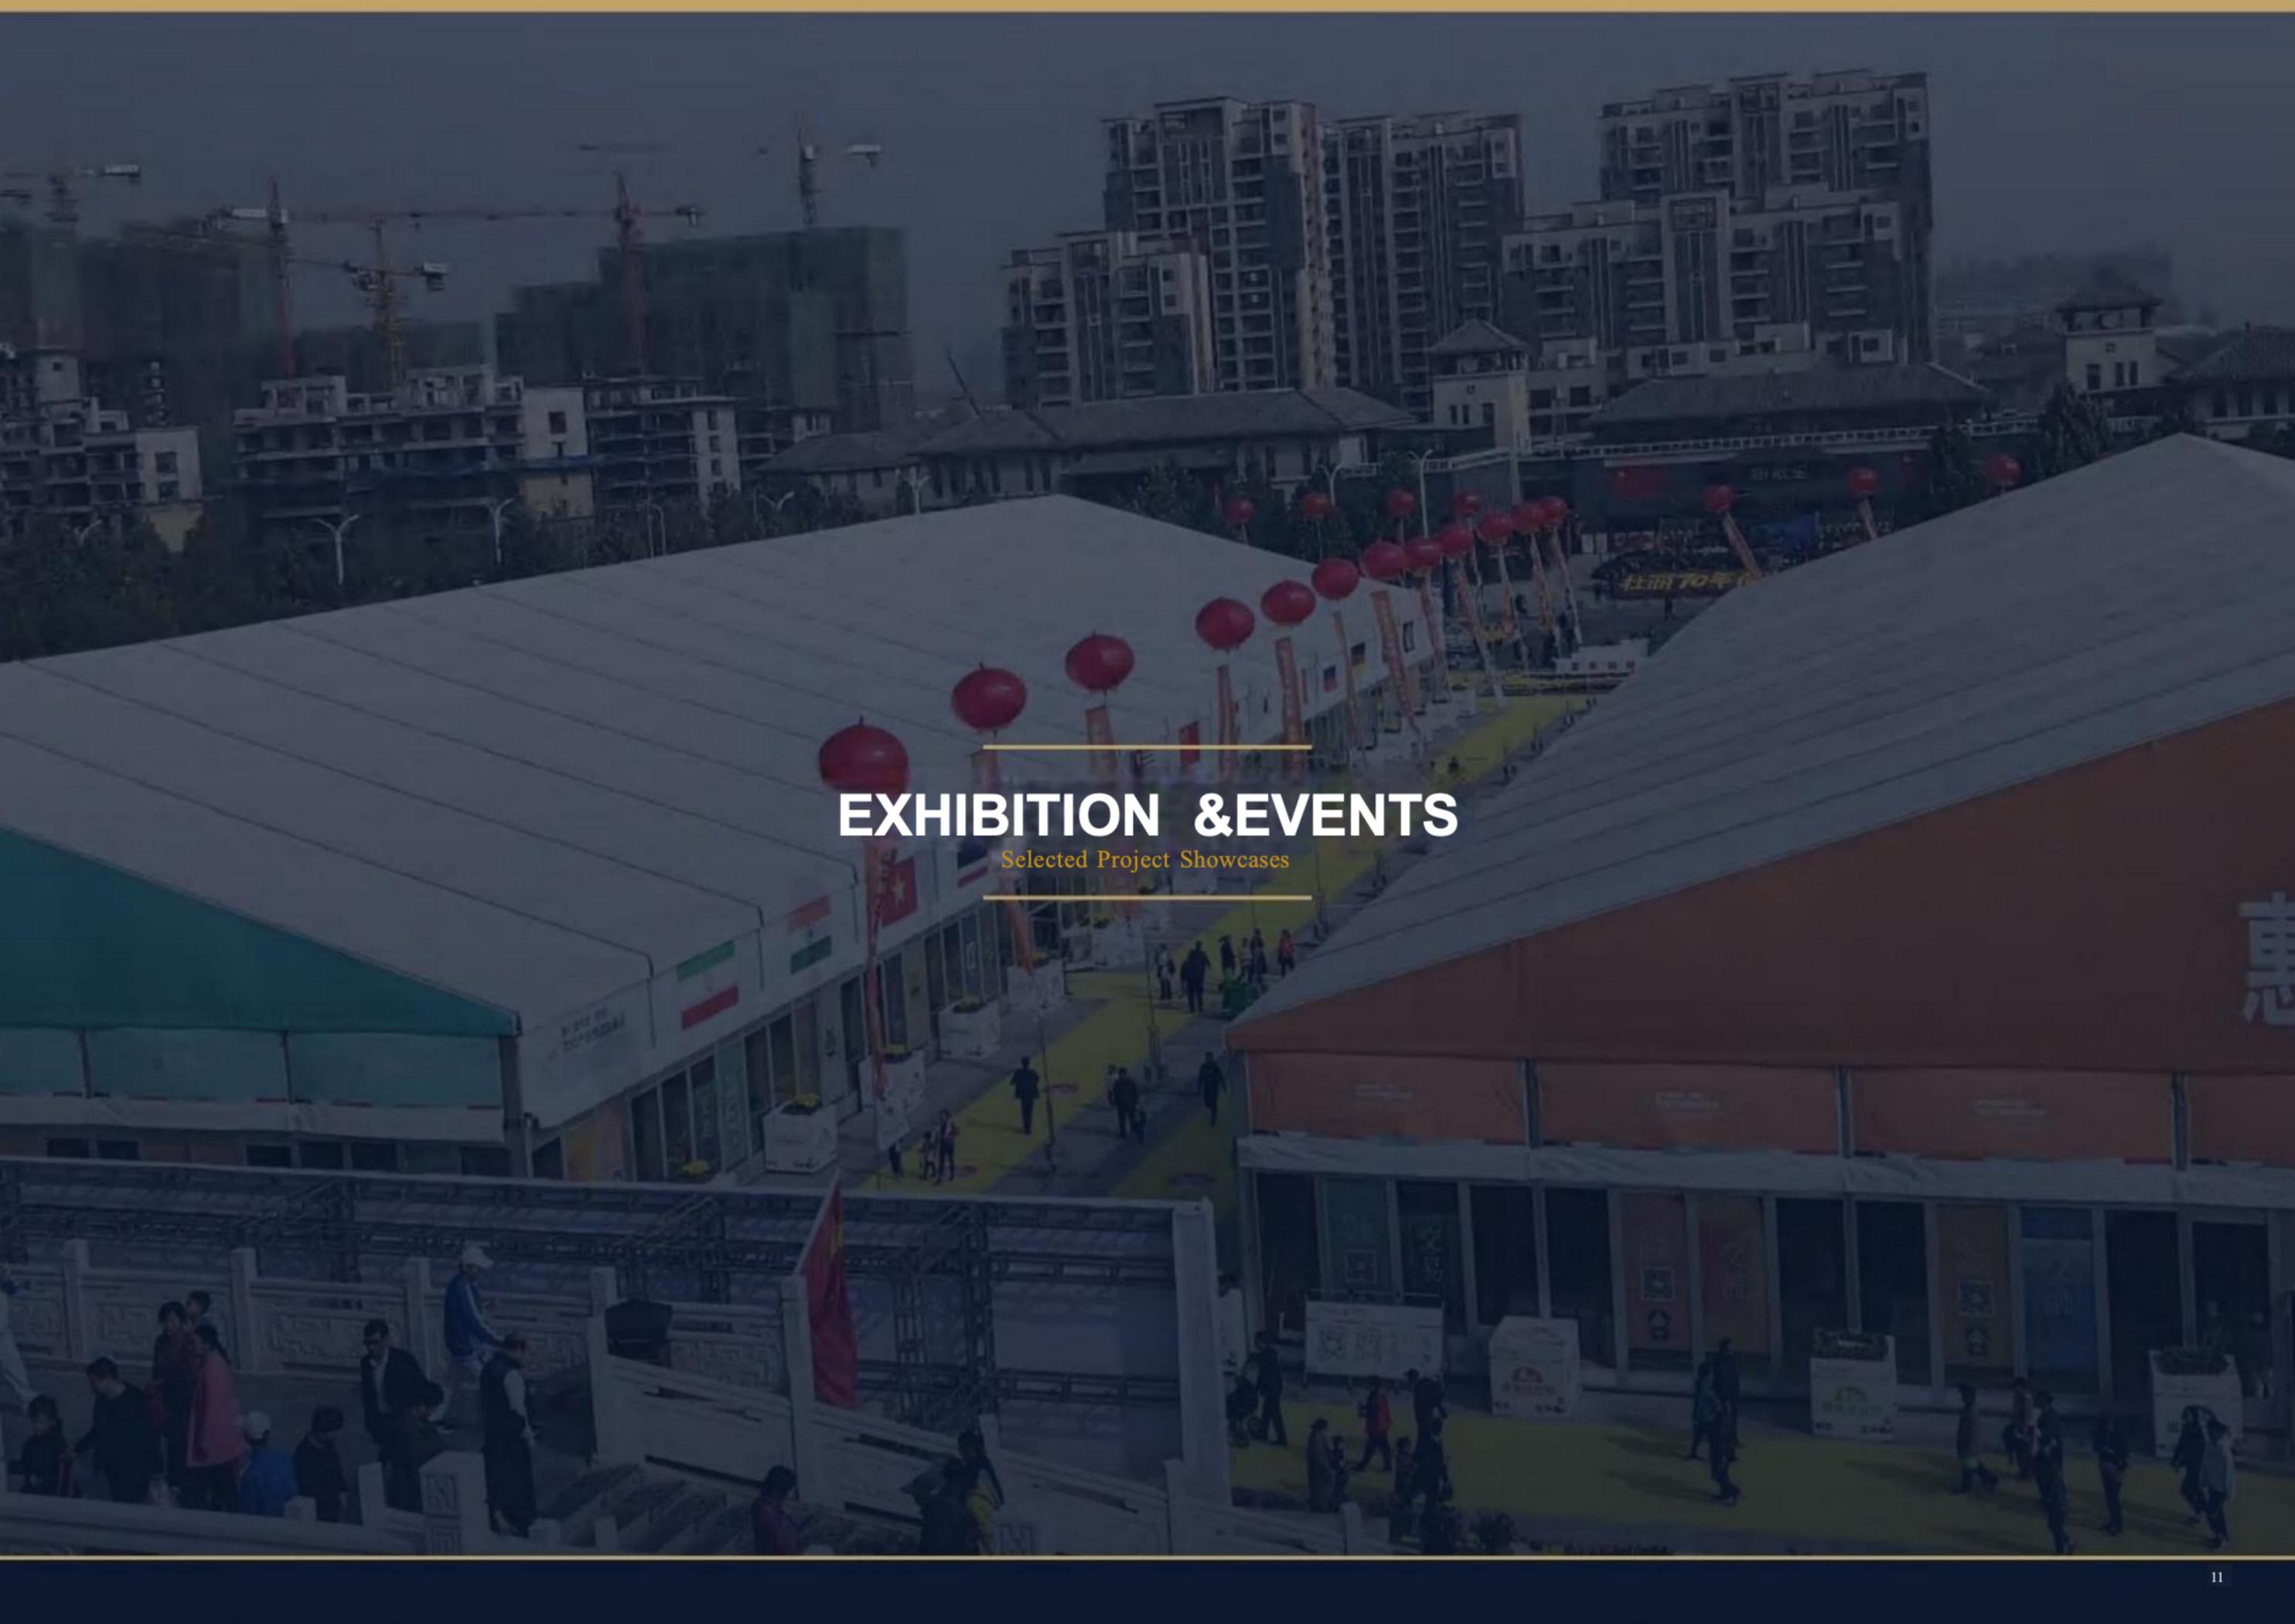

- Sides: 6/8/10/12
- Span: 5m-30m
- Custom design

RETRACTABLE

Innovative retractable roof for open-air or enclosed configs.

- Span:5m-25m
- Open/Half/Closed
- Electric drive
